Congratulations to all of the students from ÉWES who participated in the Annual Bridge Building Competition!

Congratulation to our grade 4 students, Riley Boland, Qiarrah Johnston and Emersyne Sias who placed 18th; to our grade 6 students, Jourdan Callahan and Owen Czerny who came in 5th; and to our grade 7 student, James Storey who placed 7th.

Special mentions need to go to grade 7 team of Derek Deuling and Liam Russell, who won Bronze and to Sara Charlton finished the competition with a silver.

Merci to M. Ferguson for his guidance over the last few weeks.

École Whitehorse Elementary recently participated in the largest elementary wrestling tournament in Canada! It was an exciting day with over 1500 matches.

We would like to extend a huge thank you to M. Alain and M. Rene for their time and efforts; our team of 33 participants won an impressive total of 19 medals.

Read-a-thon is our major fundraiser.

The Read-a-thon is in full swing. Encourage your child to read, read, read. Win Prizes!

As you may know, the funds are used for bus rentals, sporting activities, dance and musical events as well as agendas. Please send in the money your child has collected to the office. The child who reads the most in each class gets a free pizza!

Thank you for supporting our biggest fundraiser of the year.

Family Running Club

Building on the success of the EWES running club for grades 4 to 7, school council would like to organize a family running club for all ages to meet on Saturdays at 9:30 am. The first family running club will meet on April 25th at the EWES soccer field. Our goal will be to run/walk as a group from WES to Rotary Park and back.

We will meet every Saturday until the end of the school year.

This is our chance to further build our school community and enjoy being active with our families and friends.

All are welcome!

Happy Earth Day - what better day to announce the launch of Northwestel's directory recycling program.

Again this year, Northwestel will offer Whitehorse schools the opportunity to earn cash rewards by partnering with Northwestel to collect outdated directories for recycling. Northwestel is hoping students' at our school will participate this year.

The directory exchange is a easy, very effective way for École Whitehorse Elementary to fundraise.

What can you do? Send in your old phone books with your child to school... that's it. We box them up and Northwestel recycles them; they then make a donation to our school in return. Win, Win, Win.

Thanks for your help.

The ÉWES Running Club is on the go! We have had an excellent turn-out of volunteers - don't forget, you are welcome! We run every Tuesday and Thursday at 11:50 pm.

Best of luck to our runners in the upcoming Ridge Run in Carmacks!

Important news from the Office:

The office wishes to remind parents of students who have been registered at École Whitehorse Elementary for **kindergarten** for the 2015-2016 school year to come to the office to **complete** the process. Please bring along your child's birth certificate and health card when you come.

Important news from the Office:

Volunteers: you will be receiving an invitation to our annual Volunteer Lunch in the very near future. When you do, please RSVP the office as soon as possible. 667-8083 or jamie.jacobsen@gov.yk.ca so that we can make sure we have enough food for everyone. Thank you.
