On behalf of the staff at École Whitehorse Elementary, we would like to wish you a very Happy New Year. See you all tomorrow, January 5th.

A few reminders to start off 2015:

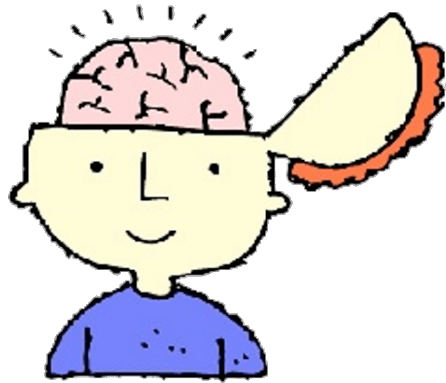

Parents are reminded to sign in and get a visitor's pass at the office when you drop by during the school day (until 2:50).

Parking is not permitted in the drop off zone by the school. Should you wish to leave your vehicle to accompany your child into the school use the parking lot, Black or Third Avenues to park. Thank you for your help.

Unless the mornings are very cold (as per our cold weather policy), we will be staying out of doors until the 8:30 bell. On cold days, students are welcome to come in to gym or library.

Our Breakfast for Learning Program becomes very popular on cold mornings. Please talk to your child about the breakfast program. We are happy to feed all hungry students. We would like, however, to encourage students to dress warmly and not come to the kitchen if they are just trying to avoid the fresh air.

Please dress warmly. Our cold weather policy can be found at:

Friday, January 30th is Brain Day!
This is our school-wide theme day
when every class will be talking and
sharing their learning about the brain.
You are welcome to come by. Watch
for details.

Today's practice is
tomorrow's
performance.

School Life

Bravo to all the participants at the Regional Science Fair! Congratulations to Olivia Simms who received an honourable mention for grade 6, Emily King & Sara Charlton, who won best physics and engineering project and to Neil Mikkelsen & Cooper Fraser who won 2nd place for grade 7.

The intermediate school choir celebrated the season when they sang at the YTG building with conductor Mme Marie-Maude.

École Whitehorse Elementary staff and students wish to congratulate Mme Monique Coderre, Mme Joanne Stanhope and Mme Crystal Pearl-Hodgins who will be retiring this January. Thank you for your years of dedication to education and to our students. You will be missed.
